

Chitwan Safari Tour (Nepalese & Swiss management)

Chitwan National Park is situated in south central Nepal, covering 932 sq. km. in the subtropical lowlands of the inner Terai. The area is the country's first National Park since 1973.

The park offers interesting sites and activities such as elephant safari provides opportunity to get a closer view of the endangered one-horned rhinoceros. One may also get a glimpse of the elusive Bengal tiger. The "Elephant Breeding Centre at Khorshor", sauraha gives you information on domesticated elephant and the baby elephants born there. The museum at Kasara (Parks headquarters) has informative display. Near the HQ visitors can see Bikram baba (Hindu religious site) archival value. A short walk (1km) from the park HQ will take you to the "Gharial Breeding Centre" which is also home to the "Marsh Mugger" and number of turtles. Elephant bath, Jeep Safari, Culture dance, Canoe ride are also interesting activities can be done.
